What Is The Right Class For You?

Language Assessments

If you want to take an English class, you will need to take a test called the Canadian Language Benchmark Placement Test.

This test helps to place you in the right class for your ability. There is no need to study. The test measures how well you can understand, speak, read and write English right now.

Once you have taken the test, you can register for ESL classes at Westman Immigrant Services, ACCAC or at UFCW.

We can also refer you to English On Line and LINC Home Study.

We teach levels Pre-benchmark to level 4 and ESL Literacy learners.

Bring your permanent resident card to book an appointment for the test.
