## What Is The Right Class For You?

### **Language Assessments**

If you want to take an English class, you  
need to take a test called the Canadian  
Language Benchmark Placement Test.

This test helps to place you in the right  
class. There is no need to study. The  
test measures how well you can under-  
stand, speak, read and write English  
right now.

After the test, you can register for ESL  
classes at Westman Immigrant Services,  
ACCAC or at UFCW.

We can also refer you to an online class  
called LINC Home Study, if you cannot  
take a class in person.

We teach levels Pre-benchmark to level  
4 and ESL Literacy.

***Bring your permanent resident card to  
book an appointment for the test.***
